Dear Benefactors of the children of Haiti,

At this time of the year, I would like to thank all of you for your support to the children of the Union Center Samaiti School. Because of your kind donation, we have a team of qualifying teachers to meet the educational needs of the children. Unfortunately it is disturbing to see the children who are being taught in the schoolyard, subjected to the extreme weather conditions of heat and rain. They have been experiencing these conditions since the devastating earthquake of 2010. I have hired an architect to start the rebuilding process so that the children could attend school in the near future. They will then have a structure where they are able to read, write, do arithmetic and have a hot meal in the comfort of classrooms.

I know that many of us are experiencing financial challenges, but at the same time the school cannot continue without your financial assistance. I am humbly asking for your support to rebuild the school that was destroyed by the earthquake. For this reason your donation would be very much appreciated. Know that no donation is too big or too small in rebuilding the school. Brick by brick we will find a way, for the needs of the children and their families are great. They always remind me that they never stop praying for us...those who make their dreams come true. Please remember that your donation is tax deductible, we are a 501(3) organization.

The school is going to be rebuilt with fourteen classrooms that will provide the children with access to high school as well. To help accomplish this, I am kindly asking for sponsors. I would greatly appreciate if you could present this project to friends, family and coworkers...those who would be willing to help with such a worthy cause. Possibly a group would find it in their hearts to fundraise \$10,000 to sponsor a classroom. In addition to our heartfelt appreciation, we will acknowledge the donation by displaying a plaque in their honor in the classroom. Please keep the Union Center Samaiti School and the children in your prayers...I know that the children are keeping you in theirs.

God Bless you for helping the children of Haiti.

We wish you all a Blessed Christmas and a Happy New Year.

Sincerely yours,

Rev. Marcel Saint-Jean and The Union Center Samaiti Board.
